Custom Embroidery and Printing

We can embroider your club badge or club sponsors logo onto any item of clothing at very competitive prices. Any design can be converted for embroidery for a one off charge of £38.00. The cost per badge will depend on the stitch count but we will be able to give you an estimated cost as soon as we see your design (artwork can be emailed (jpeg, pdf, bmp) to us). We can print large sponsor logos or players names and numbers. There are no set up charges for most types of printing.

Heatseal embroidered badges are also available for larger clubs and are excellent for designs which have a lot of small detail. Costs can often be lower than direct embroidery and there are no setup charges. We have samples available to view at our shop.
